

BOYS' BAND MAKES A HIT AT ENTERTAINMENT

Great credit is due Prof. A. H. Yoder, of the Tonopah high school, in the manner he has handled the new musicians of the recently organized Tonopah school band. At the present time 15 youngsters are able to discourse popular airs, but within a short time thirteen more will be added. Considering the short time the band has been organized—six weeks—it is marvelous the way they handle the brass instruments. During the benefit entertainment given for the band at the Butler theater last Thursday evening the players showed their talent as coming artists. Three solos were rendered by Clifford Brissell, Grayson Schmidt and Fred Swinn, that caused the audience to applaud loudly.

At the track meet between the Tonopah and Goldfield high schools, held Saturday afternoon, the band offered several selections that were well rendered.

WIRELESS OPERATOR SENDS CHEERING MESSAGE

WASHINGTON, April 29.—Chief Marconi Wireless Engineer Sammis today testified of having sent a wireless message to Operator Bride, on the Titanic, telling Chief Operator Cottam to hold the story of the disaster for four figures. This originated with Expert Davidson of the Sea Gate station, near Cape Grace, and not with himself. He said the message was sent to cheer the operators up.

MURDERER WOULD LIKE TO BE A CATHOLIC PRIEST

BOSTON, April 29.—An ex-prisoner today gave out this story of ex-Minister Clarence V. T. Richeson, that he had told him and a prison officer that he may yet become a Catholic priest. When Richeson said this he was very nervous and smoked his pipe constantly. Richeson, it will be remembered, gave Alvin Linnell a dose of cyanide of potassium, so that he could marry a wealthy girl.

"HOUN DAWGS" ADORN CHAMBERS CHAMP CLARK

WASHINGTON, April 29.—If delegates would only drift into Speaker Champ Clark's camp with the regularity that "houn daws" appear, the Missouriian would have the nomination sowed up by this time and he planning his stumping trips.

About every admirer of the speaker, it would seem, has felt it incumbent upon him to send a plaster cast of a tearful canine that looks as though it had been kicked around since Grover Cleveland left the White House in 1897. Every day a fresh consignment of "houn daws" appear—little dogs, big dogs, dogs in plaster, in water colors, in pen and ink, etc.

A San Francisco woman donated a beautiful piece of statuary showing a farmer carrying a dog under his arm and seemingly looking well pleased with conditions in general. Another admirer contributed a big bloodhound, done in water colors, while a Missourian, whose name the speaker withholds, has volunteered to present him with the finest flesh and blood hound that ever barked up a cypress tree in Missouri. The offer will probably be accepted as soon as congress adjourns and the speaker gets back to his home in Bowling Green, where the dog can be cared for under Champ's personal supervision.

A part of the speaker's private office has been set aside as a "menagerie." There the weird assortment of "daws" is stationed and carefully guarded. Clark was asked how he expected to move his treasures back to Bowling Green and he suggested that a freight car might be necessary. But if the flood of "daws" continues until congress adjourns, it is likely that a whole train will have to be pressed into service.

The Bonanza has prepared and now has on sale, a new form of location blanks in books, suitable for pocket use and great convenience in the hills. The books are fitted with carbons and duplicate sheets. Price \$1.25 each.

FIVE REELS OF FINE PICTURES AT BUTLER TONIGHT

At the Butler theater this evening a program of five reels of pictures will be shown, as follows: "How Walk-Over Shoes Are Made," "Rival Candidates," "Unto Us a Child Is Born," "Nell's Last Deal" and "The Changeling." Tomorrow we will show two special releases, entitled "The Blind Miner" and "The Diamond S. Ranch."

Wednesday the Heymen Sisters, a very clever team of singers, dancers and impersonators, open a week's engagement, changing their program each night.

ORATORICAL CONTEST AT THE NEVADA THEATER

An oratorical contest will be held Tuesday evening, April 30, at the Nevada theater, commencing at 8:30. The state declamation contest will be held at Reno on May 10th, in which all the high schools of the state will participate. The contest on Tuesday evening will decide who will represent the Tonopah high school. Four boys and four girls will contest for each place.

The boys contesting are: Harold Bowler, Austin Wardle, Stephen Johns, Tom Dugan; the girls contesting, Mildred Hooper, Bernice Sullivan, Merle Hartz, Anna Critchfield.

The small admission of 10 and 15 cents will be charged to meet the expenses of sending the two winning candidates to Reno. The school band will be heard in new selections, which will be worth more than the price of admission. After the Butler's first show, visit the Nevada theater.

Lon Stewart, who has been prospecting about 50 miles west of Tonopah, was accidentally shot in the ankle by his partner last Friday. He was immediately brought to this city and placed under the care of Dr. Cowden. This morning several parts of the leaden missile were extracted, as well as the shattered pieces of bone. The patient will, unless complications set in, be able to leave his bed in a couple of weeks.

TEDDY SCORES TAFT REGARDING HARVESTER TRUST

HAVERHILL, Mass., April 29.—Theodore Roosevelt today said: "Of course Mr. Taft was away, as everyone knows, while I was discussing the matter of the Harvester trust with the officials and other departments—commerce and labor and justice—but after he came back the matter was repeatedly brought up before the cabinet and discussed at length. Secretary Bonaparte says in a letter that Taft took the initiative in approving my course. My memory on this subject is to the same effect. Mr. Taft could not fail to have had its full information. Mr. Taft has been president three years and two months, and it is nonsense to say that during that time he has not had a full opportunity to act into the harvester trust, if he so desired."

BERKELEY WOMEN GIVE LIQUOR A BLACK EYE

BERKELEY, Cal., April 29.—In the first election held here, in which women voted, the proposed "sealed package" liquor amendment to the city charter was defeated three to one. Women cast half of the 8000 ballots deposited. The amendment would have permitted the sale of liquor in unbroken containers within the city, but not nearer to the University of California than one mile.
